

ENVIRO.BLR.COM

ENVIRONMENTAL SOLUTIONS: UNDERSTANDING AND MANAGING ENVIRONMENTAL LAWS AND BEST PRACTICES.

BENEFITS OF ENVIRO.BLR.COM

Reduce Your Costs

Eliminate paper distribution and utilize online access for up-to-date compliance and training information.

Avoid costly legal fees by finding the answers you need to compliance issues.

Trustworthy Data

Enhance your image by providing access to BLR's award-winning information services.

Deliver value to your clients by offering a branded version of the Enviro.BLR.com site.

Work Smarter

Look only one place to find all the answers to your tough questions.

Personalized answers to your questions, within one day, simply by sending us an e-mail.

Make training easier since training presentations, checklists, quizzes, and handouts are all included.

Regulations Made Simple

Easy to use with regulatory analysis put into plain English and search capabilities to find information quickly.

Limit liability concerns with information comparing state and federal regulations.

Enviro.BLR.com provides environmental professionals with a unique and comprehensive source to manage regulatory compliance needs. This resource puts practical tools and information on regulatory topics such as RCRA, CAA, CWA, and hazardous waste at your fingertips. With instant 24/7 access, your expensive calls to lawyers and consultants, and the risk of costly mistakes from "not knowing," are a thing of the past.

Enviro.BLR.com gives you over 50,000 individual federal and state-specific compliance and training tools. With robust content and flexible delivery, you get the information you need, when you need it.

BLR helps companies meet EHS compliance and sustainability goals from the facility to the global enterprise. Choose Enviro.BLR.Com, and you'll have the most comprehensive set of state-specific environmental compliance, training and management information—tailored specifically to your needs.

The screenshot shows the Enviro.BLR.com website interface. At the top, there is a navigation bar with links to Enviro Home, BLR Home, Safety.BLR.com, HR.BLR.com, and Comp.BLR.com. A search bar is present with a 'GO' button. The main content area includes a 'Welcome to Enviro.BLR.com' message with a photo of workers in protective gear. There are sections for 'Regulatory Activity' with a 'Regs Watch' bar chart showing 11 today, 188 week, and 188 apr. The page also has a 'Library' section with 'Regulatory Analysis', 'Laws & Regulations', and 'Regulatory Activity' subsections. A 'Questions?' sidebar offers live help and a VIP site tour. At the bottom, there are 'Free Ezines' and a 'Subscribe' button.

OUR CUSTOMER

"Thank you very much for your efforts and the information you provided. It was very helpful. Your quick response and ability to provide the required information is a definite plus to keep BLR service. Thanks again."
