## OSHA COMPLIANCE ADVISOR

2010—Issues 627 to 650

### Accidents

- Accident Investigation: *Your Goal: A Safer Workplace* ... #635, p.6
- BNSF 'Rails' Against Newspaper Charges of Improper Conduct ... #650, p.11 [MN]
- Man Nearly Loses Arm in Industrial Accident ... #640, p.10 [IN]
- Metal Maker Takes a Stand on Worker Safety ... #634, p.2
- Santa Cruz, CA, Workplace Accident: Worker Sucked into Woodchipper, Killed ... #640, p.10 [CA]
- Transportation Fatalities Drop; Increases in Two Sectors Noted ... #647, p.9
- Workplace Fatalities Down as State Strives for Zero ... #630, p.10 [NC]
- Zero Accidents: 10 Steps in the Right Direction ... #649, p.6

### ADA

- 20th Anniversary of Disabilities Act; New Regs Proposed by DOJ ... #641, p.8
- DOL Will Continue Efforts to Encourage Disability Employment ... #646, p.9
- EEOC Files Trio of ADA Discrimination Cases ... #644, p.12
- Feds Launch Countdown to Mark Anniversary of Disabilities Law ... #635, p.2
- Government Releases New Disability Employment Stats ... #643, p.9
- Labor Department Announces Grants to Encourage Employing the Disabled ... #642, p.9
- Staffing Company Fined Heavily in Disability Discrimination Suit ... #639, p.9

### Agriculture

- Annual Farm Fatality Summary Reveals 'Alarming Data' ... #638, p.2
- Confined Space, Other Farm Risks Are Focus of Penn State Event ... #641, p.1
- Death of a Young Dairy Farmer Leads to Dialogue on Migrants ... #627, p.11 [VT]
- Heavy Fines for Wheat Growers' Co-op in Wake of Grain Engulfment Fatality ... #637, p.10 [SD]
- Legislators Considering Measure to Reduce Pesticide Exposures ... #638, p.10 [CA]
- Purdue Grain Safety Workshops Continue This Month Across State ... #637, p.10 [IN]
- Report on Child Farmworkers Calls for Action by Congress ... #636, p.8
- State OSHA Launches Effort to Protect Workers from Heat ... #637, p.10 [CA]

### Air Contaminants

- EPA Strengthens Smog Standard; Proposed Rules Are Strictest Ever ... #629, p.9
- New EPA Rule Reduces Toxics from Stationary Diesel Engines ... #631, p.9
- Patriot Coal Resumes Work at Briefly Shuttered Mine ... #632, p.2
- State Beats Feds with Guidelines for Hazardous Popcorn Flavoring ... #650, p.10 [CA]

### Alabama

- Army Contractor Cited, Fined for Explosion that Killed Two ... #648, p.10
- Healthiest Companies Offer Diverse Ways to Keep Personnel in Top Form ... #647, p.11
- UAB Center Prepares Students for Careers in Safety and Health ... #634, p.10

### Alcohol and Drugs

- Company Will Use Grant Funds to Help Others Become Drug-Free ... #647, p.11 [IN]
- Happy and Safe Holidays for Workers ... #648, p.6
- Hazelden Offering Free Substance Abuse Screening Tool ... #637, p.12
- Is Your Workplace Under the Influence? *We've Got Ways to Keep Employees Drug & Alcohol Free* ... #632, p.3
- Keep Drugs and Alcohol Out of the Workplace ... #647, p.7
- More Americans Used Illicit Drugs Last Year, National Survey Reveals ... #645, p.9
- Prescription Addiction ... #638, p.7
- Small Business to Benefit from Addiction Center Project ... #649, p.12
- University Said to Be Weighing Faculty and Staff Drug Testing ... #633, p.11 [MO]
- Updated Drug-Free Program Announced by Comp Board ... #635, p.10 [OH]

### Arizona

- \$1.6M NIOSH Grant Awarded to UA for Western Mining Safety Center ... #648, p.10
- SCAN Health Plan Arizona Named a 'Top Place to Work' ... #627, p.10

### Arkansas

- Labor Dept. Closes Out Fiscal Year, Cites 2009-2010 Accomplishments ... #646, p.11

### Asbestos (Construction)

- Contractor Fined for Hospital Asbestos Removal Job ... #632, p.8
- Investigations Under Way into UConn Asbestos Situation ... #632, p.2

### Back Safety

- Are Back Belts Effective? ... #629, p.6

### Bloodborne Pathogens

- Nurse Group Sees Continuing Threat from Sharps Injuries ... #648, p.9

### California

- Bakery Feeling the Heat as Cal/OSHA Cites and Fines ... #634, p.11
- Cal/OSHA Closes Construction Site; Claims Workers Not Protected ... #633, p.10
- Cal/OSHA Updates Outdoor Heat Safety Regulations ... #648, p.11
- Carpet Company Honored for Excellence in Worker Wellness ... #649, p.10
- Dow's Pittsburg Ops Scores Impressive Safety Milestone ... #628, p.10
- Enforcement Activity Heats Up for Violators of Heat Protection Rules ... #641, p.10

Job Safety and Health—California Style; *Exemplary Employers and the Rules They Live By* ... #645, p.3

- Legislators Considering Measure to Reduce Pesticide Exposures ... #638, p.10
- Meningitis Outbreak Results in Fines ... #635, p.10
- Mock OSHA Inspection Helps Shore Up Safety at Naval Weapons Station ... #642, p.11
- Santa Cruz, CA, Workplace Accident: Worker Sucked into Woodchipper, Killed ... #640, p.10
- Sept. Corporate Wellness Event Showcases Innovative Programs ... #641, p.11
- State Amends Its Heat Standard to Protect Outdoor Employees ... #643, p.11
- State Beats Feds with Guidelines for Hazardous Popcorn Flavoring ... #650, p.10
- State Fund Announces Changes in Workers' Comp Regs for 2010 ... #629, p.11
- State OSHA Launches Effort to Protect Workers from Heat ... #637, p.10
- State Records Big Declines in DUI and Motorcycle Fatalities ... #644, p.10
- State Takes Car Wash 'to the Cleaners' for Unsafe Work Conditions ... #628, p.10
- Statewide Refinery Inspections Triggered by Corrosion Concern ... #647, p.10
- UCLA Tapped to Develop Guides for Fire-Fighter Health and Safety ... #645, p.10

### Cell Phones

- Distracted Driving: A Message Worth Repeating ... #647, p.6

### Chemical Hazards

- 20th Anniversary of 1990 Pollution Prevention Act Marked by EPA ... #645, p.8
- CDC Releases Report on Environmental Exposure ... #627, p.8
- DuPont Reaffirms Safety Commitment in Wake of Recent Incidents ... #629, p.10 [WV]
- EPA Announces Steps on 'Chemicals of Concern' ... #628, p.9
- EPA Offers Guidance on Employee Participation in Safety Inspections ... #639, p.9
- EPA Policy on Chemical Hazards Wins Support ... #644, p.2
- EPA Says Degree of Dioxin Released During Oil Spill Is Not of Concern ... #649, p.9
- EPA Says New Tool Will Encourage Use of Safer Chemicals and Products ... #650, p.9
- Federal Agencies Collaborate to Learn More About Chemical Effects ... #642, p.9
- Industrial Hazard a Theme of Alice in Wonderland—Who Knew?! ... #632, p.2
- Investigations Under Way into Fatal Energy Plant Explosion ... #630, p.1
- New Data Detail Exposure to Toxic Chemicals ... #636, p.2
- New Hexavalent Chromium Rule Takes Effect this Week ... #637, p.10

OSHA Moves to Stiffen Hexavalent Chromium Exposure Requirements ... #633, p.8  
OSHA: Methylene Chloride Standard Is Meeting Its Mark ... #637, p.12  
President's Cancer Panel Issues Sobering Report ... #636, p.1  
Safety Board Faults Cleaning Practice in Fatal Explosion ... #637, p.10  
Toxicology Center Issues Warning About Hair Straightener Risks ... #646, p.11 [OR]  
When Conditions Are Highly Hazardous; *Protection Strategies in Seriously Risky Workplaces* ... #650, p.3

## Confined Spaces

Contractor Faulted for Failures that Led to Fatalities ... #643, p.1

## Connecticut

Aircraft Parts Maker Cited, Fined for Fire and Electrical Violations ... #642, p.10  
BLR Named to 'Best Places to Work' List ... #629, p.2  
CSB Approves Recommendations to Prevent Deadly Explosions and Fires ... #640, p.11  
Employers Urged to Take Steps As OSHA, Others Investigate Murders ... #642, p.10  
Governor Issues Ban on Cleaning Method Linked to Fatal Explosion ... #645, p.10  
Yale Changes Sticker Policy in Effort to Enhance Safety ... #628, p.10

## Construction - General

Building a Safer Construction Workplace; *Construction Insiders Reveal What Really Works* ... #627, p.3  
Construction Workers, Supervisors Must Take Safety Training Course ... #628, p.10 [NV]  
Contractor Rolls Out Global Safety Awareness Initiative ... #638, p.2  
Latino Safety Conference Scheduled for Mid-April ... #632, p.8  
OSHA Announces Latino Worker Health and Safety Conference ... #629, p.8  
Solis Reestablishes Charter of Construction Advisory Committee ... #647, p.2  
Walbridge Takes AGC's Top Safety Honor ... #635, p.2

## Cranes and Derricks (Construction)

New Crane Rules In Force Next Month; *You Might Need a Crane to Hoist the Document!* ... #645, p.6

## Dept. of Transportation (DOT)

DOT Proposes Rule on Transport of Lithium Items ... #628, p.9  
DOT Reports Dramatic Gains in Seat Belt Use ... #649, p.1  
Truck, Bus Companies Affected by Stricter Federal Safety Rules ... #627, p.8  
Trucking Firm Ordered to Install Onboard Recorders ... #649, p.2

## Driver Safety (Motor Carriers)

DOT Agency Launches Program for Preemployment Screening ... #639, p.8  
'Eagle Eye' Keeps Accidents Out of Sight;

*Device Has Sensors that Warn of Possible Danger* ... #631, p.6  
Feds Cite Driver Fatigue in Fatal Motor-coach Accident ... #627, p.8  
Happy and Safe Holidays for Workers ... #648, p.6  
Study Shows Big Payoff for Driver Prehiring Screens ... #627, p.2  
Teamsters Urge Passage of Bill to Create Trucker Rest Areas ... #633, p.2  
Truckers Driving Toward Better Health; *Road Warriors Battle Effects of Fast Food and Sitting* ... #646, p.6  
Trucking Firm Ordered to Install Onboard Recorders ... #649, p.2

## Driving Safely

ASSE Publishes Work Zone Safety Tips and Standard ... #634, p.1  
CSA 2010: Changes for Trucking Industry; *New Scoring Process Aims to Reduce Injuries and Deaths* ... #642, p.6  
Distracted Driver Crackdown Is Now in Force, Says DOT ... #634, p.9  
Distracted Driving: A Message Worth Repeating ... #647, p.6  
DOT Reports Dramatic Gains in Seat Belt Use ... #649, p.1  
DOT Secretary Applauds Text Bans Enacted in Kentucky and Nebraska ... #635, p.9  
Fed Panel Approves Distracted Driving Legislation ... #638, p.12  
Feds Remind Drivers to 'Take Safety' on Every Trip ... #639, p.2  
Financial Impact of Vehicle Accidents Is Described in New CDC Research ... #644, p.8  
Florida's \$2 Difference Child Safety Seat Program ... #640, p.10 [FL]  
Happy and Safe Holidays for Workers ... #648, p.6  
Legislature OKs Cell Ban; Law Would Take Effect by Fall ... #634, p.10 [MD]  
Medford Takes Steps to Protect Road Workers ... #629, p.10 [OR]  
More than Half of New Drivers Text and Drive ... #646, p.12  
Motorcycle Safety Added to DOT Transportation Improvement List ... #649, p.8  
New CDC Fact Sheet Targets Motor Vehicle Injuries ... #643, p.12  
New No-Text Rule Proposed During Distraction Summit ... #645, p.1  
No Texting & Driving for State Employees ... #627, p.10 [KY]  
OSHA Takes Aim at Distracted Driving; Partners with DOT to Protect Workers ... #645, p.8  
Sample Bill to Help States Craft No-Texting Laws ... #632, p.9  
State Records Big Declines in DUI and Motorcycle Fatalities ... #644, p.10 [CA]  
Survey Says Cell Phone Users Are Serious About Safety ... #642, p.1  
Too Distracted to Drive? ... #636, p.6  
Top Safety Officer Has Praise for Fort Hood Cycle Safety ... #634, p.9  
Transportation Board to Hold Older Driver Forum in November ... #644, p.2

Transportation Chief Holds Fast on Distracted Driving ... #640, p.2

## Electric Power Generation

New OSHA eTool Addresses Power Worker Safety ... #633, p.2

## Emergency Preparedness

HHS Delivers Nation's 1st Health Security Strategy ... #628, p.8  
It's Time to Prepare for Hurricane Season ... #640, p.1  
NIOSH Efforts to Protect Oil Cleanup Workers ... #640, p.2  
Planning for the Day You Dread: A Major Disaster ... #639, p.6

## Enforcement

3 Contractors Cited for Cave-Ins at Supermarket Construction Site ... #650, p.11 [MA, NH]  
12 Contractors Cited for Fall Hazards During Hail Damage Repair ... #633, p.12  
Agency Delivers Penalty Package to Rhode Island Post Office Site ... #636, p.8  
Agreement Reached in Fatal Roofing Accident Leads to Half-Million in OSHA Penalties ... #631, p.8  
Aircraft Parts Maker Cited, Fined for Fire and Electrical Violations ... #642, p.10 [CT]  
Amputations, Chemicals, Fire, NY Manufacturer Cited for All ... #635, p.6  
Another Post Office Comes Under OSHA Scrutiny ... #643, p.2  
Are OSHA Penalties Outdated? ... #637, p.6  
Army Contractor Cited, Fined for Explosion that Killed Two ... #648, p.10 [AL]  
AT&T Sued for Diabetes-Related Discrimination ... #642, p.2  
Bakery Feeling the Heat as Cal/OSHA Cites and Fines ... #634, p.11 [CA]  
Boat Service Biz in Hot Water with OSHA over Violations ... #639, p.10 [FL]  
BP Agrees to Record Penalties in Connection with Texas City Explosion ... #646, p.8  
BP Agrees to a Record Penalty for 2005 Multifatality Explosion ... #643, p.8  
BP Reportedly Will Appeal \$100M Decision ... #627, p.1  
BP Victims Want Legal Review of Plea Agreement ... #636, p.1  
California Man Charged with Fraudulently Collecting Health Incentives ... #641, p.1  
Case of Defective Protective Vests ... #631, p.8  
Catastrophic Release Yields Citations and Fines for CITGO ... #629, p.1  
Chocolate Plant Fined, Cited in Wake of Employee Fatality ... #628, p.12  
Company, Execs Cited for Contempt for Failing to Heed OSHA Citations ... #631, p.11 [MO]  
Complaint Brings Inquiry into Exposures at Plating Company ... #649, p.10 [GA]  
Complaint Yields Inspection and Dozens of Penalties for Scovill ... #635, p.10 [GA]  
Contractors Cited and Fined for Role in NH Employee Fatality ... #632, p.11 [NH]

Court Approves \$6M Settlement in Employee Disability Incident ... #631, p.9

C-Store Worker Wrongfully Fired for Whistleblowing, OSHA Says ... #643, p.11 [OK]

DA Hands Down Indictments in 2008 Fatal Crane Collapse ... #632, p.10 [NY]

Don't Mess with Recordkeeping, Says OSHA ... #644, p.9

Employee Caught in 16-Foot Hole; Contractor Cited ... #635, p.1

Engine Maker Knew, But Did Not Follow, Safety Regulations ... #648, p.10 [MI]

Exposures Draw Sharp Response; Jersey City Metal Recycler Is Fined ... #647, p.11 [NJ]

FAA Proposes a Whopping Fine Against Airline for Training Failure ... #646, p.9

Failure to Comply Costs Employer His Vehicle in Freehold Legal Case ... #628, p.11 [NJ]

Farm Co-op Is Hit Again for Violations at Grain Facilities ... #643, p.10 [WI]

Fatal Explosion in '09 Yields Huge Fines for Mississippi Shipbuilder ... #637, p.9

Fatal Explosion in Houston Is Met with \$1M Plus in Penalties ... #628, p.6

Fatal Gas Blast Yields Citations from State Railroad Regulator ... #644, p.10 [TX]

Fatality Prompts Inquiry at Wisconsin Packaging Corp. ... #635, p.6

Federal Government Settles with Mine for Violations that Led to 2007 Fatality ... #634, p.11 [MT]

Federal Monitoring of DEP Ends; Improvements Noted ... #627, p.11 [NY]

Food Products Company Settles with OSHA on '09 Penalty Case ... #636, p.10 [WI]

Former Building Inspector Charged in OSHA Training Certificate Scheme ... #632, p.10 [NY]

Foundry Feels the Heat over Violations of Lead Standard ... #644, p.7

Go Behind the Hazards to Avoid Citations; *Experts Help You Steer Clear of Top OSHA Violations* ... #646, p.3

Governor Issues Ban on Cleaning Method Linked to Fatal Explosion ... #645, p.10 [CT]

GRL Properties Cited for Asbestos Hazards ... #640, p.10 [MI]

Gunpowder Biz Takes Direct Hit; OSHA Issues \$1.2M in Citations ... #648, p.8

Hoosier Company Faulted, Fined for Willful Exposure to Hazardous Dust ... #644, p.6

Imperial Sugar to Pay \$6M in 2008 Fatality Settlement ... #640, p.8

Inspection Blitz Yields Results; Mines Forced to Halt Production ... #636, p.10 [KY]

Job Safety Bill Loses Support in State Senate ... #632, p.10 [WY]

L&I Completes Refinery Inspections; Cites BP Facility and Levies Penalties ... #636, p.10 [WA]

Labor Department Files First of Its Kind Complaint Against the U.S. Postal Service ... #640, p.9

Logistics Company Willfully Violated Law at Milwaukee Warehouse ... #630, p.11 [OR]

Man Convicted in Employee Death Will Not Do Time ... #634, p.2

Manufacturer Cited, Fined; 'Dangerous Practices' Identified ... #630, p.10 [MS]

Manufacturer Faces \$3 Million Fines for Amputation Hazards ... #644, p.1

Maryland OSHA Cites D.C. Metro for Worker Fatalities ... #642, p.1

Meningitis Outbreak Results in Fines ... #635, p.10 [CA]

Miami Company Faces \$2 Million Fine for Alleged Employee Exposure ... #643, p.9

Miner Safety Legislation Passes; Business Group Opposes Provisions ... #641, p.9

More Mines Targeted for Inspection; MSHA Appears When Least Expected ... #644, p.8

MSHA Begins Review at Site of Tragic Mine Explosion ... #639, p.10 [WV]

MSHA Comes Down Hard on 3 'Schofflaw Mine Operators' ... #630, p.10 [KY]

MSHA Issues 11 Closure Orders During Surprise Inspection ... #646, p.2

MSHA Launches Pilot Program for Backlog of Contested Cases ... #643, p.9

NC Bank to Pay Damages in Disability Discrimination Lawsuit ... #631, p.1

Not a Pretty Picture for Framers; OSHA Cites and Fines Employer ... #645, p.11 [MS]

OSHA Advises Peanut Plant to 'Get Serious' About Worker Health ... #628, p.6

OSHA Cites 4th U.S. Minerals Site; Claims Serious Worker Exposure ... #650, p.10 [IL]

OSHA Cites and Fines Contractor for Scaffold, Fall Hazards ... #645, p.2

OSHA Cites CSX Transportation for Retaliating Against a Whistleblower ... #637, p.11 [NY]

OSHA Cites Evansville Airport for Alleged Violations at Tower ... #633, p.11 [IN]

OSHA Cites/Fines Pharma Company, Alleges Willful and Serious Violations ... #639, p.9

OSHA Claims Recycler Exposed Workers to Lead Poisoning ... #649, p.2

OSHA Claims Texas Manufacturer Put Workers at Risk ... #633, p.1

OSHA Fines Supply Business in Wake of Employee Fatality ... #627, p.9

OSHA Hits BP Refinery with Penalties and \$3M in Fines ... #632, p.1

OSHA Issues Sizable Fines to Manufacturer of Elevator Cabs ... #638, p.10 [NY]

OSHA Makes Clear to Company That Violations Will Be Punished ... #637, p.8

OSHA Orders New Jersey Transit to Pay More Than \$500,000 ... #640, p.11 [NJ]

OSHA Proposes Penalties Against Roll-Kraft for Exposing Workers to Hazards ... #640, p.11 [OH]

OSHA Seeks Cold Cash from AmeriCold Logistics Facility ... #635, p.6

OSHA Sends Message to Postal Service Regarding Electrical Safety ... #638, p.9

OSHA Takes a Bite Out of Meatpacker for Extensive Recordkeeping Failures ... #644, p.6

OSHA Writes Up Paper Mill Following Employee Fatality ... #646, p.2

OSHA's Michaels Testifies on Need for Tougher Penalties ... #633, p.1

Property Manager Targeted for Exposing Workers to Asbestos ... #636, p.11 [MI]

Railroad Ordered to Take Actions for Censuring Whistleblower ... #639, p.12

Railroads Ordered to Compensate Employee in Whistleblower Case ... #631, p.10 [IL]

Record Fines Issued in Deadly Tesoro Explosion ... #646, p.10 [WA]

Refinery Will Appeal Findings in '09 Woods Cross Explosion ... #639, p.10 [UT]

Regulatory Costs Hit Small Businesses Especially ... #645, p.2

Scaffolding Misstep Results in Death; Company Is Cited/Fined ... #628, p.6

Scary Worker Engulfment Yields Substantial Fines for Grain Coop ... #642, p.10 [WI]

Senator Calls for Hearings into Mine Disaster ... #634, p.1

Sharp Response to Uncorrected Hazards at Sheet Metal Biz ... #636, p.2

Solis: Huge Fines Don't Reflect Value of Lives Lost in Kleen Energy Disaster ... #642, p.8

State Launches Blog Focused on Combating Workers' Comp Fraud ... #639, p.11 [WA]

State OSHA Issues Record Fine; Employer Repeatedly Inspected ... #638, p.10 [MD]

State Takes Car Wash 'to the Cleaners' for Unsafe Work Conditions ... #628, p.10 [CA]

Stepped Up Penalties Coming as Agency Targets Severe Violators ... #635, p.8

Supermarket's Actions Do Not Check Out; Chain Is Sued for Firing Pregnant Worker ... #645, p.9

Tree Service Is Cited and Fined for Failure to Adequately Train ... #648, p.8

Trucking Firm Ordered to Install Onboard Recorders ... #649, p.2

Union Claims Employee Was Fired After Voicing Complaints to OSHA ... #641, p.11 [NJ]

Union Pacific Ordered to Compensate Fired Employee in Whistleblower Case ... #644, p.10 [OR]

UPS Ordered to Compensate Driver in Whistleblower Case ... #638, p.9

Violations at Casting Plant Cited; OSHA Says There's 'No Excuse' ... #641, p.11 [OH]

Walt Disney World Cited in Fatal Monorail Collision ... #627, p.2

Whirlpool Ordered to Pay \$1M in Harassment Case ... #628, p.2

Witnesses Say Backlog of Mine Appeals Is Undermining Safety ... #632, p.9

Worker Amputations Elicit Penalties for Plastics Biz ... #627, p.11 [GA]

## Ergonomics

ASSE Provides Tips to Prevent Ergonomic Injuries ... #648, p.2

Communicating Ergonomics ... #627, p.7

Employees Take a Stand Against Sitting ... #643, p.12

Facility Is Recognized for Excellence in Safety & Health ... #629, p.9

Gladwin Hospital Honored for Preventing Ergonomic Injuries ... #633, p.10 [MI]

NIOSH Offers Spanish-Language Guide for MSDs in Construction ... #631, p.9

OSHA Sends Serious Message to West Virginia P.O. Facility ... #649, p.9

Truck Co. Ordered to Reinstate Whistleblower ... #648, p.11 [FL]

## Explosives

- CSB Approves Recommendations to Prevent Deadly Explosions and Fires ... #640, p.11 [CT]
- More than \$80 Million Awarded in Gas Explosion Fatality Case ... #638, p.11 [TX]
- MSHA Publishes Temporary Rock Dust Rule ... #645, p.2
- U.N. Endorses System for Safety in Explosive Areas ... #628, p.9

## Fall Protection (Construction)

- Building a Safer Construction Workplace; *Construction Insiders Reveal What Really Works* ... #627, p.3

## Fire Prevention

- Fed Study Offers Recommendations After Deadly Sofa Store Fire ... #648, p.9
- Retailer Slammed by OSHA for Exit Access Hazards at LI Store ... #629, p.10 [NY]
- Spinal Group Issues Guidance on Fire Safety for Wheelchair Users ... #634, p.9
- UL Burning Homes to Advance Firefighter Safety ... #631, p.2

## Fire Prevention (Construction)

- Cal/OSHA Closes Construction Site; Claims Workers Not Protected ... #633, p.10 [CA]

## First Aid

- American Heart Association Issues New CPR Guidelines ... #647, p.1
- When Minutes Count: Workplace First Aid ... #643, p.6

## Flammables and Combustibles

- Pressure Protection Co., MIOSHA Join in Alliance for Combustible Dust ... #627, p.10 [MI]

## Florida

- Award Recognizes Workplaces that Promote Employee Health ... #641, p.10
- Boat Service Biz in Hot Water with OSHA over Violations ... #639, p.10
- Florida's \$2 Difference Child Safety Seat Program ... #640, p.10
- Health Department Investigates Porn Industry Safety Complaints ... #639, p.10
- Hospital Co. Takes Award for Health Achievement ... #634, p.11
- St. Vincent's Helps Jax Employers Establish On-Site Health Facilities ... #644, p.11
- Truck Co. Ordered to Reinstate Whistleblower ... #648, p.11

## Forklifts

- The 5 Deadly Forklift Dangers: *Don't Let These Happen to You!* ... #638, p.6

## Georgia

- Complaint Brings Inquiry into Exposures at Plating Company ... #649, p.10
- Complaint Yields Inspection and Dozens of Penalties for Scovill ... #635, p.10
- OSHA Advises Peanut Plant to 'Get Serious' About Worker Health ... #628, p.6
- OSHA, GA Tech, Skanska Team on Huge Window Replacement Project ... #630, p.11
- Scaffolding Misstep Results in Death; Company Is Cited/Financed ... #628, p.6
- Worker Amputations Elicit Penalties for Plastics Biz ... #627, p.11

## Hawaii

- Brothers Plead Guilty to Charges of Forced Labor ... #629, p.10
- Health Insurer Named One of Best Places to Work in the Aloha State ... #634, p.11
- Man Convicted of Theft & Perjury; Case Prompted by Suspect Claim ... #642, p.10
- New OSHA Area Office Is Open and Led by 15-Year Veteran ... #645, p.11

## Hazard Communication

- OSHA to Open Hearings on Chemical Harmonization ... #628, p.1
- OSHA's Inspecting, Citing, and Fining ... *So We're Delivering Solid Compliance Help!* ... #631, p.3
- Some Say Global Chemical Plan Would Increase Risk for Workers ... #633, p.9
- Your Workers Have a Right to Know ... #640, p.6

## Hazardous Materials

- New OSHA Booklet Outlines Hexavalent Chromium Regs ... #629, p.9
- NIOSH Seeking Comment on Draft Nano Exposure Recommendations ... #650, p.8
- Prevent Poisoning—at Work and at Home ... #636, p.7
- Watchdog Group Is Critical of Prison Recycling Program ... #629, p.8

## Hazmat Transportation

- Hazmat Training? You Need a Plan ... #627, p.6
- Hazmat Transport Security ... #645, p.6

## HAZWOPER

- Agency Seeks to Reduce Risk for Those Involved in Spill Cleanup ... #636, p.10

## Health—General

- AIHA Paper Identifies Issues Related to Corrosive Drywall ... #647, p.8
- Air National Guard Adds Mental Health Support ... #648, p.9
- Average Federal Health Premium Expected to Jump 7% Next Year ... #646, p.9
- Awareness May Be a Factor in Success of Mental Health Law ... #627, p.9
- Behavior-Based Safety: Two Perspectives; *A Consultant and a Union Rep Explain, Defend Their Views* ... #649, p.3
- Business Impact of Health Care Addressed by Online Calculator ... #643, p.10 [MO]
- Cancer Among Firefighters Subject of Large-Scale Study ... #635, p.2
- Carpet Company Honored for Excellence in Worker Wellness ... #649, p.10 [CA]
- CDC Advisory Panel Urges Expanding Flu Shots ... #632, p.1
- CDC Reports Slight Decline in the U.S. Life Expectancy Rate ... #650, p.9
- Cleveland Clinic, Other Employers Launch County Health Initiative ... #629, p.11
- Dermatitis: Is It Just an Itch—Or a Big Deal? ... #630, p.6
- Duke Researchers Calculate Hefty Cost of Worker Obesity ... #648, p.1
- Employer Coverage Drops Below the National Average ... #649, p.10 [NY]
- Employer-Sponsored Program Helps Boost Heart Health ... #637, p.2
- Employers Asking Questions About New Medical Pot Law ... #629, p.11 [NJ]
- Employers Still Uncertain About Managing Health Care ... #650, p.1
- FDA Approves Vaccines for 2010–2011 Flu Season ... #642, p.2
- Federal Agencies to Test New Employee Health Services ... #631, p.2
- Feds Allow New Health Plan for Ford Retirees ... #633, p.2
